

To whom it may concern:

I am a resident of Tehama County and myself, my family, my friends, as well as many of the 300+ people at our church listen to K-LOVE FM station 88.3, 102.7, and 99.3. This radio station provides and serves our community by giving us a choice to listen to encouraging and positive, commercial free Christian music. I think that it is very important to keep K-LOVE on the air giving the people in our area as well as throughout the states a positive station to listen to.....especially in this day and time. It would be a HUGE loss to myself, as well as a magnitude of others, if we no longer had K-LOVE as a choice.

Thank you very much for taking the time to consider my request. May God richly bless you and yours.
